## Profile

Innovative Producer/Editor/Filmmaker based in London with 7+ years of experience in professional broadcast and creating compelling content across multiple media platforms. Adept in using digital platforms and developing original content with integrity and a dedication to craft based on the needs of a client. Highly motivated professional - Han Le has worked on various types of TV & Film projects with extensive expertise in managing diverse production elements.

As an experienced video producer, Han has worked on several high profile projects, including working directly with Ex UK PM Tony Blair, the Future of Britain 2022, Ex Secretary of the United States America Condoleeza Rice and the MDs of several major companies including Tik Tok, Planet, Khosla Venture, and ZeroAvia. Han also worked on a complex multi media project for the Science Museum UK which included aerial shoots, 50 contributors and over 15 interactive films.

Visionary creator, editor, storyteller and business operations manager with demonstrated ability to take an idea from concept to delivery to produce entertaining and inspiring pieces. Experienced in using advanced editing-software which included Adobe Creative Cloud and Avid Media Composer. Wide-ranging knowledge of TV & Film projects from inception to completion.

## Employment History

### Producer, Chocolate Films, London

JANUARY 2023 – JANUARY 2024

Proven track record of delivering successful productions that met all deadlines and budget constraints, highlight projects and clients including National Maritime Museum, Unison, Astin Masterclasses, Glencairn Crystal Studio, TodayTix, National Autistic Society, The Postal Museum: Dressed to Deliver Exhibition, and The Golden Key commissioned by the City of London Corporation.

- Overseen quality control for the post-production phase; Implemented post-production evaluation process to ensure continuous improvement and all deliverables met the highest standards of production quality.

- Monitored production progress and identified potential issues, proactively taking corrective actions to ensure smooth workflow to meet production deadlines.

- Led communication to ensure all stakeholders were informed of production developments and progress. Developed, negotiated and maintained relationships with clients to ensure the best value for the project budget and alignment with organisational goals and objectives.

### Producer, Silverfish Films, London

JUNE 2022 – DECEMBER 2022

- Produced series of documentaries with social impact at Silverfish Films - recent clients included the Future of Britain Conference 2022 hosted by the Tony Blair Institute for Global Change; Science Museum - 'Technicians - The David Sainsbury Gallery' - an interactive gallery showcase the wide variety of technician careers for young people; The United Nations - UNCTAD short documentary introducing South-South Economic Cooperation and the role of UNCTAD in supporting developing countries.

- Worked closely with international crews to complete all aspects of the production.

- Responsible for breaking down the script to create line items in a budget; planning production timelines, coordinating the schedules and activities of various departments; hiring staff for production and crew.
- Collaborated on editing and other post production activities as necessary.
- Performed management skills and activities such as overseeing budgeting and scheduling.

### **Unit Production Manager, IDE MEDIA CO., LTD, Hanoi**

NOVEMBER 2021 – APRIL 2021

- Responsible for scheduling and budgeting from episode 1 to 10, working directly with director/producer Bui Tuan Dung.
  - Overseen production processes.
  - Completed daily production reports of the day's shooting. Reported any deviations from the master shooting schedule.
  - Responsible for all location permits and cast releases filed with the production office.
- The 10 episodes TV Drama namely NGUYEN VAN CU was direct by BUI TUAN DUNG. Bui is known for Hanoi, Hanoi (2007), The Legend Makers (2013), Ho Chi Minh in Siam (2015).

The series was made to pay tribute to the memories of Nguyen Van Cu, the fourth General Secretary of Vietnam. Nguyen was a Vietnamese revolutionary. Nguyen Van Cu was arrested by the French and executed by French firing squad at the Giong T-road junction Hoc Mon District.
